CLUBS ADDITIONAL INFORMATION

Clubs are for everyone, for having fun, keeping fit and healthy, meeting new people and developing key skills. It is important that everyone follows our department three R's:

Be READY **Show RESPECT** **Follow Safety REGULATIONS**

- Lunchtime is short so please be prompt to the club and ready to go at 1:20pm. At lunchtime ***only trainers*** are required. Clubs will conclude at 1.45pm to allow changing back into school shoes. If lunchtime clubs are too busy some students may not be able to participate in that session. This is for health and safety reasons and to maximise your experiences. This will be at the teacher's discretion.

- For after school clubs you ***MUST*** be fully changed into your PE kit. A reminder no jewellery is to be worn and ALL valuables must be handed in to a member of staff. We are not responsible for any loss or damage to your personal items. If an activity has a sign up sheet then this will be outside the area suggested in the timetable and put up the subsequent day ready for the next session. Please sign up a.s.a.p. each week to avoid disappointment. For all other sports clubs, please just turn up on the day, no need to sign up beforehand.

Registers will be taken for all lunchtime and after school clubs, if you are late or have missed being registered you MUST let the teacher know ASAP when you arrive as this is important for Health and Safety reasons.
